BTW, I also deleted the mention of Part 5 in first paragraph as Title VI is only in Part 7. This version should be good to go.

I like those changes. Also please note the inconsistent capitalization of "federal". I learned recently that there's an [EPA stylebook](#), which recommends making "federal" lowercase:

**Federal, local, native, natives, state, states, tribal, tribes** - lowercase unless they begin a sentence or form part of an official title: Cherokee Indian Tribe. Lowercase when used alone and in plural form: U.S. states, the Sioux and Navajo tribes. Lowercase the adjectives tribal and native unless they are parts of a proper name: tribal art, Hopi tribal leaders, Ojibway Tribal Council, Virginia native. Note that Native Americans, American Indians, Indian Country and Alaskan Native Villages should be capitalized.

Hi All -- The first para under Case Background was intended to be just a general statement about what T VI prohibits in order to put stuff in context. I think it should not go under "Case Background" and I moved it instead to the ECRCO general background section. I also deleted footnote 2 as it is not important here. Here it is with my changes. Thanks again Jeryl!
